DIRT DAZE WEEKEND

5 – 7 April

PRESENTED BY

BILTWELL

FUELLED BY

ROYAL ENFIELD

**Dirt Daze is a three-day MOTO, MUSIC & MAYHEM festival
with a “run whatcha brung” philosophy.**

RIDE

Dirt Daze Weekend revelers will experience a weekend of gasoline fuelled fun with no classes and no rules. Bring your road bikes and prepare to get dirty – race your mates, race a stranger, swap bikes every lap, do some donuts, whatever goes. Brought to you by your mates at Kustom Kommune.

This isn't a dirt-bike event. This is an everything event. We want to see knobbies on Harley's and track-bikes getting dusty. Swing those café racers sideways and just have a crack! Bring anything and everything that's not factory-made for the dirt and have a blast. Stacks and slides are expected, and that's part of the fun. Empty your tank and then kick back at the GASTOWN music festival, fill the other tank with booze and watch the 2019 lineup.

Founder and organiser, Jimmy Goode, said this is the moto-festival he's always dreamed of, *“The community got talking about events we'd love to see in and around Melbourne; we wanted to relive the days of blasting around the park on our bikes – popping wheelies, doing terrible burnouts on our BMX's and running amok. Now as adults, we can do a whole lot more.”*

“We want to create an atmosphere that's exciting, that screams ‘have a crack!’ and brings together a massive group of like-minded people, just to have a rad time. The workshop is where the good ideas come together, and Dirt Daze is where the bad ideas come out - not just in the most enjoyable way, but also in the safest way possible.”

TRACKS

Dirt Daze Weekend will feature five custom built dirt tracks in the most epic location: a dug-out quarry at **Krusic's Ride Park** in Duston Downs. Flat Track, Dirt Drags, Hill Climb, MX Track & Enduro Course. The pit-stop area is prepped with a full **GearWrench** setup for your on-site repairs. No matter your experience, you're encouraged to participate. No egos; Just good vibes and bad influences.

Dirt Daze Weekend is an all-inclusive event and prides itself on building a diverse, welcoming and supportive crowd each year.
