GOOD VIBES. BAD INFLUENCES.

DIRT DAZE WEEKEND

5 – 7 April

PRESENTED BY
BILTWELL

FUELLED BY
ROYAL ENFIELD

Dirt Daze is a three-day MOTO, MUSIC & MAYHEM festival with a "run whatcha brung" philosophy.

RIDE

Bring your road bike and have a go on the dirt. Dirt Daze Weekend welcomes custom and vintage motorcycles for a weekend of riding with mates, music and camping, brought to you by Kustom Kommune.

We want to see road bikes getting dusty, from custom Harleys to café racers. Riders must follow the track briefings, marshal directions and event rules. When the riding is done, head to GASTOWN for food, music and time with the community.

Founder and organiser, Jimmy Goode, said this is the moto-festival he's always dreamed of**,** *"The community got talking about events we'd love to see in and around Melbourne; we wanted to relive the days of blasting around the park on our bikes – popping wheelies, doing terrible burnouts on our BMX's and running amok. Now as adults, we can do a whole lot more."*

"We want to create an atmosphere that's exciting, that screams 'have a crack!' and brings together a massive group of like-minded people, just to have a rad time. The workshop is where the good ideas come together, and Dirt Daze is where the bad ideas come out - not just in the most enjoyable way, but also in the safest way possible."

TRACKS

Dirt Daze Weekend will feature five custom built dirt tracks in the most epic location: a dug-out quarry at **Krusic's Ride Park** in Dutson Downs Flat Track, Dirt Drags, Hill Climb, MX Track & Enduro Course. The pit-stop area is prepped with a full **GearWrench** setup for your on-site repairs. No matter your experience, you're encouraged to participate. No egos; Just good vibes and bad influences.

Dirt Daze Weekend is an all-inclusive event and prides itself on building a diverse, welcoming and supportive crowd for its first edition.

GASTOWN & 2019 LINE UP

A music festival that puts bikes first. Bars, bands, lounge and chill out entertainment area like none other. Featuring art installations, vendors and our favourite punk/rock/indie/garage 2019 lineup:

Civic, Mesa Cosa, Fandango, Honeybone, Bitch Diesel, Emilee South, DJ Hot Pants, DJ Tiny Dancer, DJ Mermaid, DJ Lou Lou

Watch the riding, enjoy the music and settle in for the weekend. Rider and spectator tickets include camping; track access requires a rider ticket. Riding continues through Sunday.
